Ukraine Fundraiser at Camversation

Join Camversation to support the [DEC's Ukraine Humanitarian appeal](#) on **Sunday 3rd April 2022** from 12pm-6pm. This talk will be recorded.

We will be joined by a host of speakers, covering a range of topics and all coming together to support such a great cause. We are looking to confirm even more speakers, but so far, we have:

Joe Houghton – Talk content to be confirmed.

Ian Howard – The exposure triangle.

Sharon and Robert Prenton Jones – with a new creative talk (20 mins each)

David Gilliver – with a talk outlining light painting tools and tips.

Andy Phillips – Talk content to be confirmed.

Nancy Phillips – A short editing talk (20mins approx.)

Steve Thewis – Talk content to be confirmed.

There will be updates as and when more speakers confirm, but we are expecting at least one more! Each speaker will be giving a short presentation of between 40 and 45 minutes, before a little break to allow us to move on.

There will certainly be something in the afternoon for everyone and you're more than welcome to join and leave as you wish, throughout the afternoon.

It is likely this event will run LIVE from 12pm – 6pm.
